Oh How SGA Members Love Those 7 o'clock Meetings

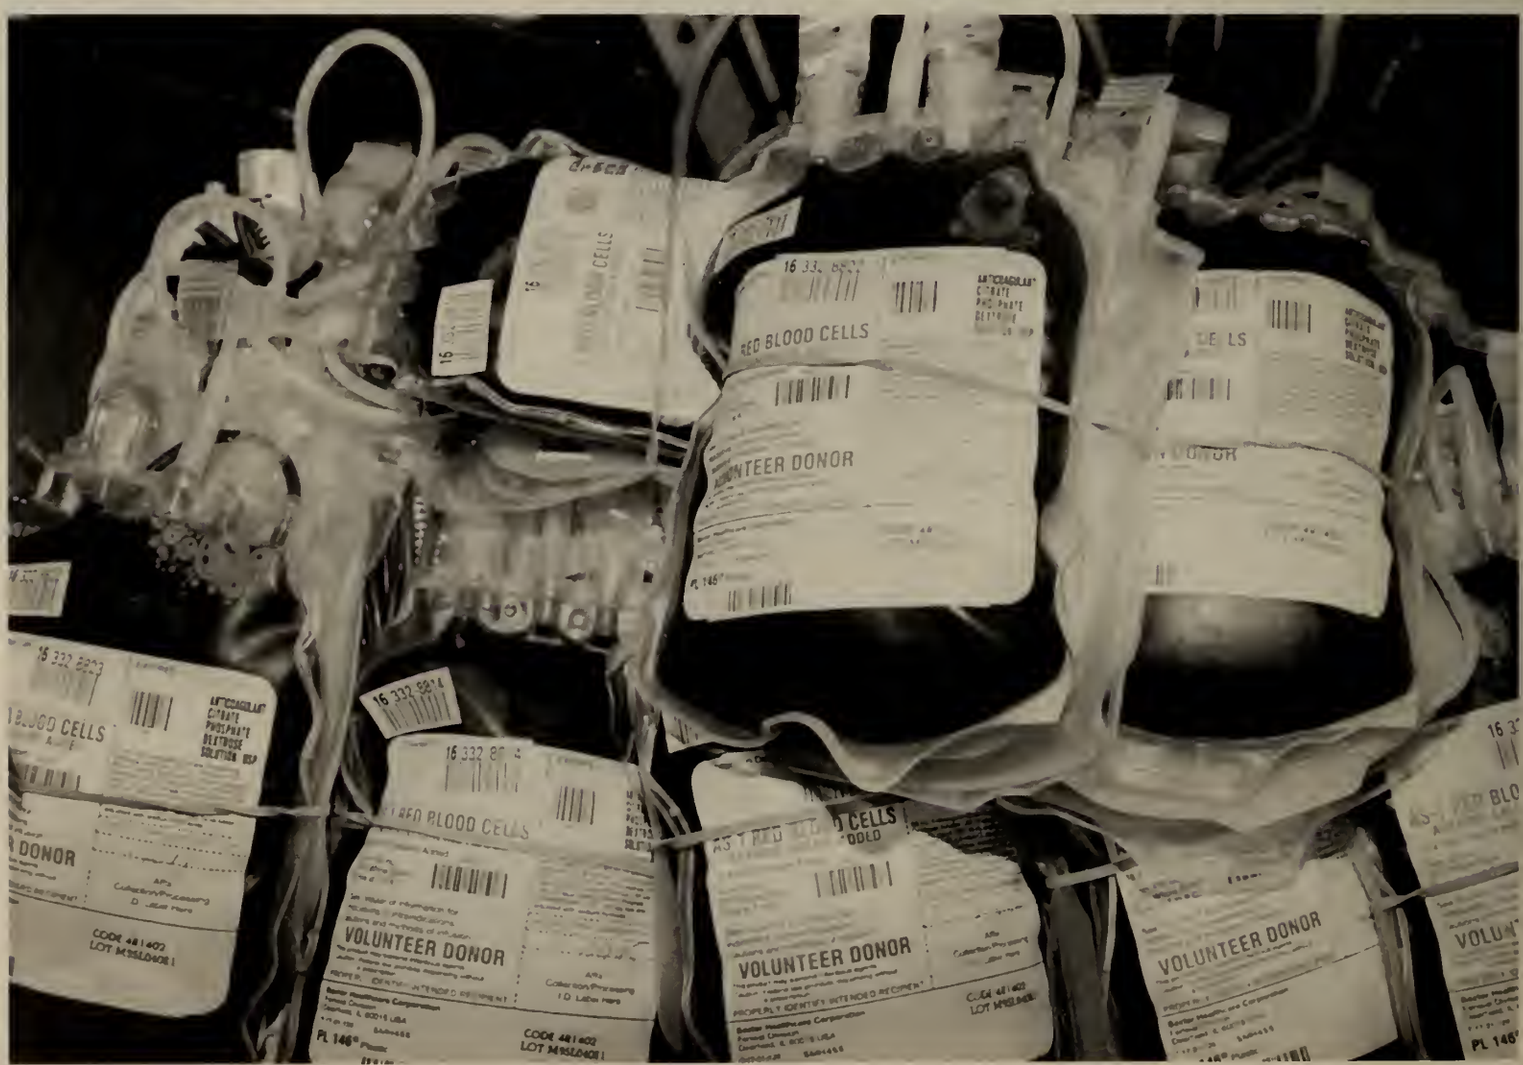
Ask any SGA member about those seven o'clock breakfast meeting. There is nothing like them. For the first five minutes almost everyone is trying to wake up, so Dean Hammill won't think he is talking to a bunch of zombies. Eventually, all members are ready to discuss very important matters and mention any complaints they might have heard from the student body. By 7:50, the Student Government Association has accomplished their goals for that week and have two weeks before having to do the routine all over again.

Lee Ann listens intently as Dean Hammill discusses ways to improve dorm life. Above, Kim Green does some last minute homework before the meeting begins. Secretary, Laurie Ball takes notes during a SGA meeting.

Blood Drive '96

In January of 1996, the PRCC nursing department held a blood drive. Faculty members were told if they did not give 3 to 10 units of blood, they would be thrown in jail. Faculty members could have students fill in for them. Some of the faculty put in jail were Dr. Wes Estey, Dow Ford, Harvey Seligman, and Coach Daniels. By the end of the day more than 150 units were donated.

These desperate teachers beg this innocent student to bail them out of jail.



Jeremy Lowe looks on as the nurse sticks him.

Coach Daniels yells for help.

Tangy Smith watches her friend give blood.

1 STOP Career Center

Pearl River Community College's One Stop Career Center is currently providing customized workforce training for more than 2,600 people. Ed Felsher, director of the One Stop Career Center, located at the Pearl River Community College Forrest County Vocational-Technical and Allied Health Care Center, said the Career Center is presently working with 21 companies in Pearl River, Forrest, Hancock, Jefferson Davis, Marion and Lamar counties. "The Career Center offers and arranges customized workforce for the businesses and industries in our six county districts," said Felsher.

"Our main task is to understand the customer's training needs, and then design and deliver a workforce training program that satisfies those needs. Training can be from two weeks to two or three years," he said.

Meeting the needs of the customer may require a program of education and training in basic literacy skills or customized training of a more specific job nature. The One Stop Career Center has a Career Planning and Assessment Center, Small Business Development Center, Adult Basic Education and Basic Skills Training Services. Workforce Training Specialist, Barbara Gandy, and the State Department of Education's Industrial Training Coordinator, Alex Ross, work in cooperation with the Career Center.

Pearl River is providing on-the-job training for Hattiesburg's new Sunbeam plant. This project is expected to touch all of the Sunbeam employees, which is now over 1,300 and may reach 1,700.

The Poplarville Career Center, located in the newly renovated Crosby Hall on the Poplarville campus, was started at the beginning of the current school year. Academic and vocational-technical counselors are located in the Poplarville One Stop Career Center. The Poplarville Career Center staff includes Dr. Chris Lundy, Dr. Ann Moore, Ethel Batson, Special Populations Coordinator Angela Kinley, Tech Prep Coordinator Elaine Hutchins and Secretary Lisa Spiers.

A Meeting of **Creative** Minds

5 PRCC Students Place in Writing Competition

Each year the Mississippi Community College Creative Writing Association holds a creative competition for students attending any Mississippi public two-year college.

The competition is divided into five divisions: poetry, short story, essay, literary essay, and one-act plays. This year five PRCC students placed in the competition. Geri DiGiovanni's "A Garage Sale . . . Stop", placed in poetry. Both Gerianne Godman and Joe W. Johnson placed in the essay competition. Sherry Cunningham won first place in the literary essay division. Kerri Williamson's "Varying Shades of Gatsby" won honorable mention in the same category. Geri DiGiovanni also placed in the drama category for "The Kitchen Table."

If any PRCC student is interested in submitting an original creative work, he or she should contact an English instructor.

Sherry Cunningham accepts her award for "Symbolism and Nightmare Imagery" in *Sanctuary*.

The five winners from PRCC: Gerianne Godman, Kerri Williamson, Joe W. Johnson, Geri DiGiovanni, and Sherry Cunningham.

It's A Cultural Thing

Cultural Anthropology was taught in the Fall of 1995 by Dr. Bill Coston. This class provided a comparative look to the analysis of human cultural and social diversity. The anthropology students studied the application of anthropological concepts, theories, and research. At the beginning of the semester, the students were asked to choose a foreign country and every Friday they gave a report on a certain cultural aspect of their chosen country. The class, along with Dr. Wells' U.S. History I class, took a trip to the Chalmette Battlefield and the New Orleans Museum of Art. The students taking the Anthropology class were: Beverly Barefoot, Willie Bender, Betty Brunner, James Bullard, Jorge Carrillo, April Cook, Sherry Cunningham, Howard Floore, Charity Knight, Auerey Maples, Sandra McClelland, Tinia Myers, Wendy O'Quin, Mary Ann Purvis, Donald Saucier, LaChanda Taylor, Melanie Ward, Deborah Wheat, and Kerri Williamson.

A Different Look at Biology

The students of Pearl River were introduced to a different type of biology this spring. This class emphasized field study and surveyed the biological kingdoms. The field biology students had the opportunity to interact with the natural environment. The laboratory exercises included trips like a canoe trip on a local creek, a beech magnolia forest and marine environment on the Mississippi Gulf Coast. The lab and lecture were taught by Susan Nodurft and Joyce Roberts.

Journalism

A new class was offered this spring semester for students planning to pursue a career in the field of journalism. It was instructed by PRCC's Public Relations Director, Mr. Larry Stanford. The journalism and college publications classes threw students into the chaos of actually putting together a monthly paper. The journalism students were put to the test by running to on-campus events and interviews. Then they had to write three to four articles a month before deadlines. Besides writing articles, students are introduced to the politics and jargon of newspaper writing with class roundtable discussions of future story ideas.

"Journalism under Mr. Stanford was the most valuable class I took at PRCC. The things Mr. Stanford taught the class will be useful in courses at USM and in my career."

Major from Hattiesburg

Introduction To Modeling

The modeling class began in the Spring of 1996. Tryouts were held and 26 members were chosen to represent PRCC. Members of the class were given a one-hour credit.

The students were taught a variety of modeling skills, such as production of a well-organized fashion show and the opportunities available in fashion.

The modeling team participated in many activities. They modeled in fashion shows at Turle Creek Mall, Steinmart, and the PRCC cafeteria. They also did mannequin modeling in the PRCC cafeteria and Steinmart. The men of the PRCC modeling team participated in a fashion show at the Parade of Beauties.

The Advisors for the modeling team were Tela Hurt and Chris Wooten.

Other new courses offered for the 1995-1996 school year were: Leadership in Recreation, First Aid, Concepts of Athletic Training, Sports Officiating, and Intro to Health, PE, and Recreation.

Recording artist, Ronnie McDowell made a fifth appearance at the Extravaganza. Fifteen restaurants from Hattiesburg to the Gulf Coast provided food for the 650 patrons who paid $30 a ticket to attend. A Healthy PRCC

Over 200 people visited the twenty-seven medical agencies who participated in the annual Pearl River Community College Health Fair held on March 27th on the PRCC campus. The Associates Degree Nursing Program sponsored the event. Peggy Dease and Patricia Strebeck were the coordinators. Students from the allied health and ADN programs participated in this fair as well as the LPN's from PRCC. The Health Fair is a requirement from the Mississippi Rural Health Coalition. Students can receive scholarships from this organization on the basis that they work in Mississippi for three years after graduation. Several of the health fair participants included North Shore, Sand Hill, North Shore, Family Y, Hattiesburg Clinic, Cooperative Ed, United Blood Services, and Pearl River County Department of Human Services. Information provided from these organizations included heart disease, mental health, safety, poison control, dieting, sexually transmitted diseases, types of abuse, and self-esteem. This event allowed people to get answers to their health questions.

L. D. Brinkman Weight Room: Pearl River Community College athletics got a sizeable shot in the arm with the dedication of the L. D. Brinkman Weight Room. The state-of-the-art facility rivals any in the state.

Former Wildcat player and assistant coach Lewis Murray, PRCC Head Coach Keith Daniels, and PRCC Development Foundation Director Donna Wilson show off the plaque commemorating the dedication.

A Team With NO FEAR

Pearl River Community College ended its 1995 season with a 7-0 rain-soaked decision over the Northeast Tigers. The Wildcats, under first-year coach Keith Daniels, finished the year 7-3 overall and 4-2 in the South Division.

The Pearl River Wildcats rushed for 2,568 yards, passed for 938 for a total of 3,506 yards. The total yards are the eighth best ever by a Wildcat team and the rushing total ranks third best in history.

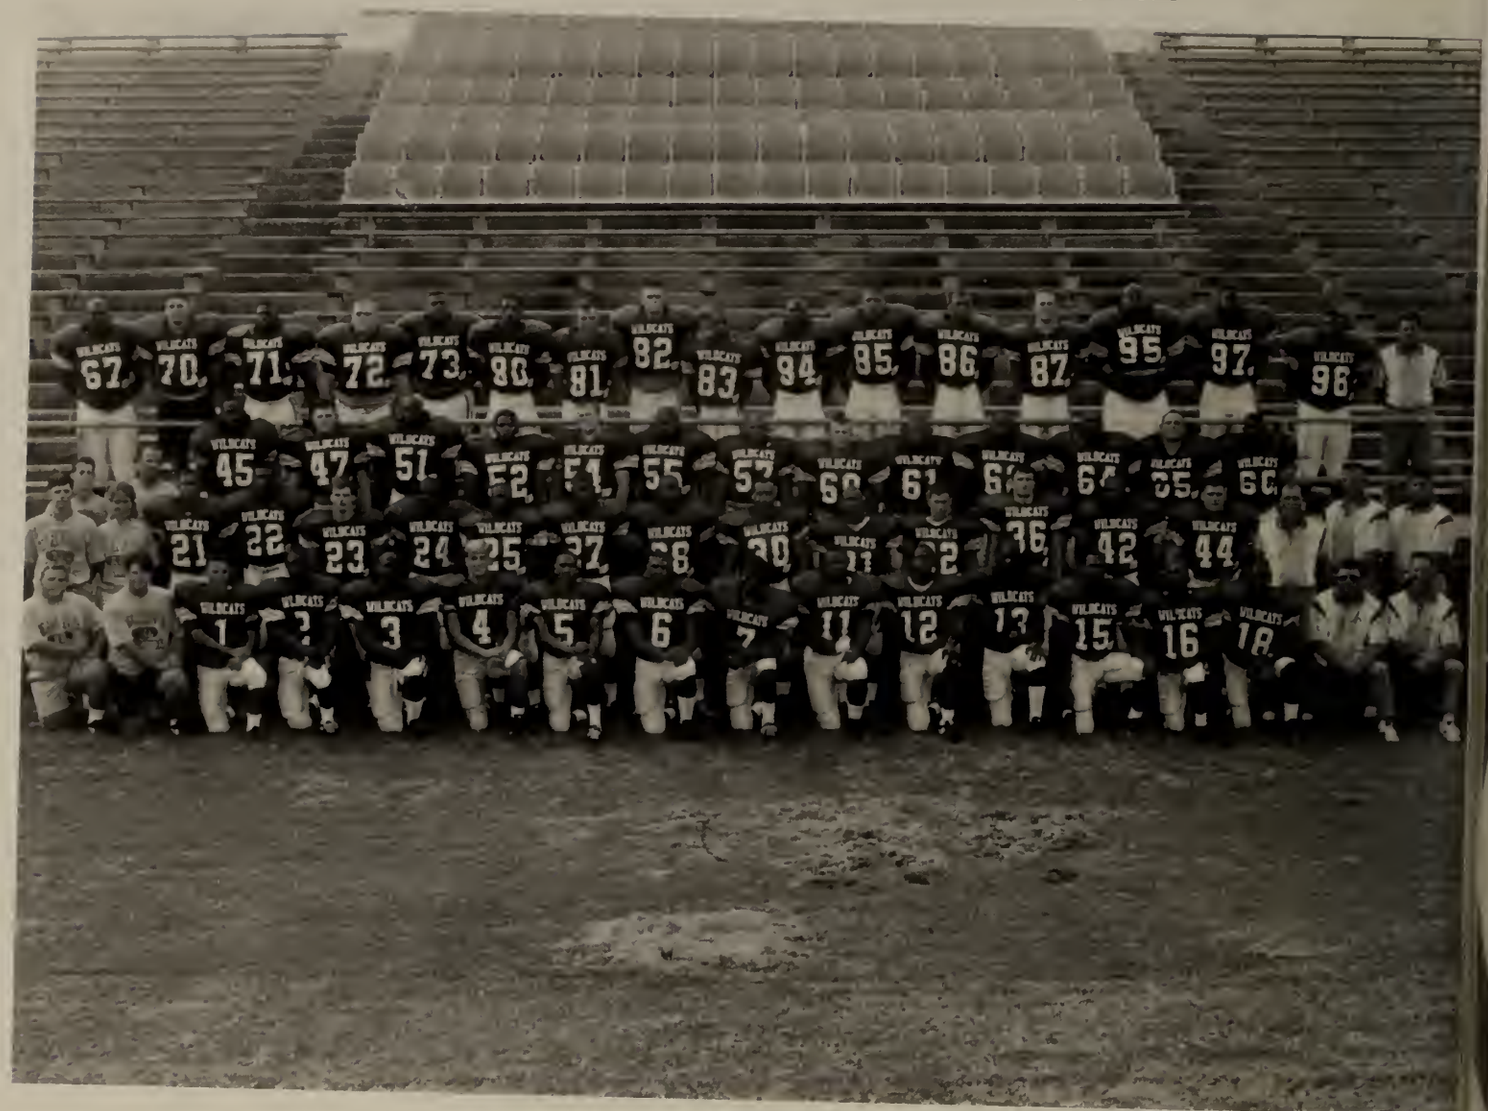
The 193 first downs are the fourth best and the 29 points per game average rank eighth all-time. Sophomore tailback Kenshun Smith rushed the ball 175 times for 917 total yards and seven touchdowns.

Quarterback Jerel Posey rushed 115 times for 543 yards and 10 touchdowns. He completed 61 passes for 877 yards and five touchdowns. Posey was intercepted only three times during the year.

Smith's 917 yards rank fourth on the all-time rushing list, and his freshman year total of 823 yards rank ninth.

Antonio Carillo kicked 34 of 36 extra points and connected on eight field goals for 58 total points.

Wildcat Football



Pearl River Community College entered the Keith Daniels era in the 1995 season as formed Ole Miss offensive coach took over the reigns from Willie Coats during the spring of 1995. Coats left PRCC for East Central Community College in Decatur at the end of the first semester of the 1994-1995 school year.

Coach Keith Daniels

Keith Daniels, 46, who was in charge of running backs and the offensive kicking game last year at the University of Mississippi, was named PRCC's interim athletic director this past June.

A native of Monticello, Mississippi, Daniels is a graduate of Copiah-Lincoln Community College. He began his coaching career as an assistant at his alma-mater in Monticello in 1969.

He spent six of the next seven years serving as athletic director and head football coach at high schools in Jackson, Gallman and Columbus, Ms.

The new Pearl River coach entered the senior college ranks first in 1975 when he spent one year coaching running backs at Rice University in Houston, Texas. He returned to the Mississippi high school ranks in 1976.

In 1977 he began his first of three stints at Ole Miss. In 1982 Daniels was hired as offensive coordinator for Jim Carmody at the University of Southern Mississippi. In 1987 he spent two years at Ole Miss before joining Rocky Felker as offensive coordinator at Mississippi State for the 1989 season.

Pearl River Community College's Lady Wildcat Basketball team had high hopes entering the 1995-1996 season, but the graduation of key players from the previous year's team — which claimed the Mississippi Community Junior College and National Region 23 championships — proved to be too much to overcome. The 1995-96 Lady Wildcats were eliminated from the South Division Tournament in the second round. A year ago, the Lady Wildcats finished 26-8 before being eliminated from the NJCAA's Final 16 Tournament in Tyler, Texas.

Coach Polly Kirkland

Kirkland is beginning her ninth year as head coach of the PRCC Lady Wildcats' basketball team. Kirkland, a two time coach in the Mississippi Junior College All-Star game, played basketball at the University of Southern Mississippi and Delta State University. Kirkland served as graduate assistant at the University of Southern Mississippi and she is an honor graduate of Horn Lake High School. She has a degree in math education and physical education from USM, as well as a master's degree in physical education and athletic administration. Under Kirkland's guidance, PRCC nabbed a state championship, national Region 23 title, two regular south division titles, a South Division Tournament crown, and a trip to the NJCAA final 16 tournament. When the Lady Wildcats captured the 1995 National Region 23 Tournament in March, it was not only the ticket to the national tournament, but it was the 300 victory for Kirkland. In addition to coaching, Kirkland also teaches math.

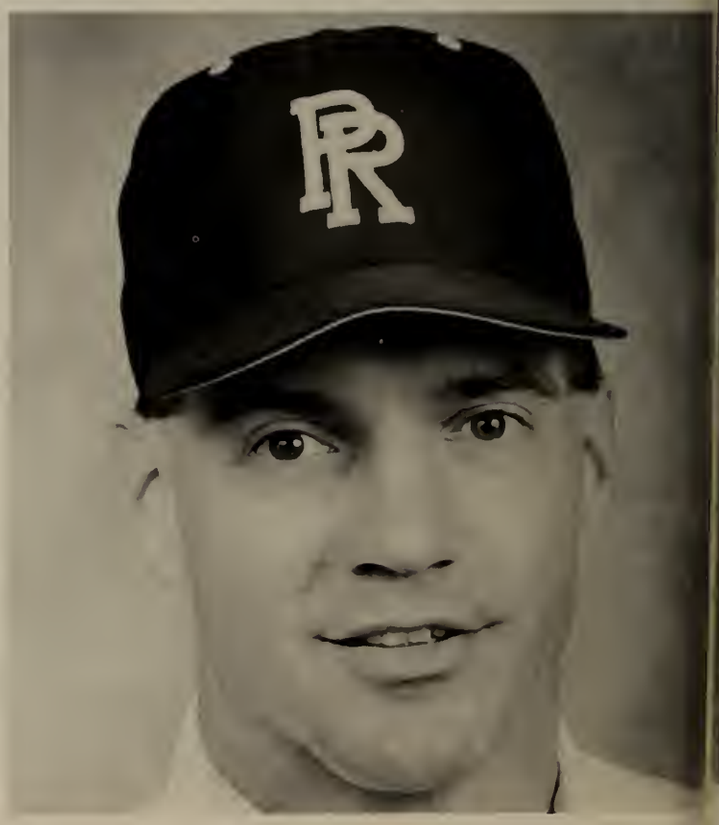
Ferree said "I really enjoy the college environment." He was really excited about being a part of the successful baseball program at PRCC.



Coach Jim Nightengale

Jim Nightengale, a former assistant at William Carey College, completed his ninth year at the helm of Pearl River's baseball program. A Long Beach native, Nightengale was an all-star baseball and football player in high school, earning all-conference honors in both sports from his sophomore to senior years. At Gulf Coast Junior College, he was a first team All-American baseball player as a sophomore. He was also the quarterback for the Bulldog football team. As a William Carey Crusader, Nightengale was an all-district player when the squad took the District 30 Championship in 1983 and 1984. While at Carey he received his Bachelor of Science degree, as well as a Masters in Education and Social Science. Nightengale became an assistant to Carey's coach Bobby Halford in 1985.

Pearl River Community College President Dr. Ted Alexander

Ted J. Alexander was named the ninth president of Pearl River Community College by the institution's Board of Trustees at the March, 1986, meeting and he assumed office July 1, 1986.

Dr. Alexander had been Superintendent of Schools for the McComb Municipal Separate School District for the previous ten years prior to assuming the Pearl River Community College presidency.

After graduating from Central High school in Jackson, he received a B.A. degree from Milsaps College. President Alexander received the Master of Education degrees in Educational Administration and Guidance from Mississippi College and the Doctor of Education degree in Educational Administration from the University of Southern Mississippi.

Because of Dr. Alexander's determination and vision, Pearl River now operates the most modern Allied Health center in the state. Beginning this fall the college will offer the state's only Occupational Therapist Assistant program.

Through Alexander's guidance, the college has established a very active Grants and Research Department which generated more than $20 million since 1989 and a foundation which has raised more than $2 million dollars from private sources.

With more than 200,000 square feet of new construction or renovated space, the college provides an excellent environment to learn.

BSU in Honduras

In May, eighteen students and four adults from PRCC's BSU participated in a mission project in El Progresso, Honduras. The project was funded by individual and/or church contributions.

Once in Honduras, they were met by Ruth and Pat Rogers, a retired couple from Jackson who are working in Honduras through the partnership Missions Office, Mississippi Baptist Convention Board. They handled all of the logistical arrangements for the project.

The project was centered around personal evangelism and ministry to children and youth. They worked with Bethany Baptist Church. They led worship and children's activities; they also helped with mission, Mt. Zion Baptist.

The group spent the mornings working with children and youth in the area. A language barrier was overcome with translators. In the afternoons, the BSU participated in door-to-door. They used bi-lingual tracts and interpretors and were able to go into homes and witness to people.

By the end of the week, the team had ministered to over 600 children and youth, distributed more than 1000 Spanish Bibles and New Testaments and recorded 42 conversions.
